

Sephra Freeze Dried Fruit Range

Natural fruit flavour, vibrant colour and crisp texture

Bring bold fruit flavour and colour to chocolate, bakery products, desserts and drinks with the Sephra Freeze Dried Fruit range.

Freeze drying removes moisture from carefully selected fruit, producing a lightweight, crisp product with a concentrated natural flavour. The fruit is ready to use straight from the pack and is available in a variety of whole, sliced, diced, broken and crumb formats to suit different applications.

From colourful dessert decorations and chocolate inclusions to cereal toppings and drink garnishes, the range offers a practical way to add real fruit to your products.

- Processed and freeze dried in Scotland
- No washing, peeling or chopping
- Whole, sliced, diced and crumb formats
- Ready to use straight from the pack
- Real fruit flavour and colour

Sephra Freeze Dried Fruit Range

Made for Professional Use

Chocolate & Confectionery

Chocolate bars, truffles, bark, inclusions, enrobing and decorative finishes.

Waffles, Crêpes & Pancakes

Add to batters, fillings and toppings, or use as a colourful finish with chocolate, sauces, cream and ice cream.

Bakery & Patisserie

Cakes, cookies, brownies, doughnuts, pastries, buttercream, cheesecakes and dessert decoration.

Breakfast & Desserts

Cereals, granola, yoghurt, ice cream, mousse, sundaes and plated desserts.

Drinks

Milkshakes, smoothies, hot chocolate toppings, fruit powders and cocktail or mocktail garnishes.

Use Whole, Crush or Blend

Use the fruit directly as a topping or decoration, break it into smaller pieces for inclusions, or crush it into a powder for flavouring, colouring and finishing desserts.

Because freeze dried fruit readily absorbs moisture, keep the pack securely resealed after opening and store it in a cool, dry place.
