Storage Instructions and Shelf Life

Storage Conditions: Store in a cool, dark, dry place in the unopened container at temperatures between 18°C to 22°C. At higher temperatures oil may appear on the surface, shake before use. At lower temperatures the product can harden, heat in a water bath. The product over time may undergo colour alterations without affecting the quality of the product. After partial use, securely close the bottle and clean off any residual product from the outside.

Shelf Life From Production: 18 Months.
