

SEPHRA[®] Sephra Blinis Maker

The Blinis Maker is especially successful in buffets and cafés, the reasoning behind this is that it makes five small pancakes which can be served as a side with a hot beverage or used as an option at the dessert stand - next to the ice cream.

You could also stack them on a plate with bacon and egg and drizzled with maple syrup to create an American style breakfast.

All our bakers have a non stick coating to prevent the hassle of burning, sticking and vigorous cleaning.

Bakes five 10 cm diameter x 1.3 cm pancakes.
