

SEPHRA[®] 4oz Popcorn Machine & Cart

This 4oz popcorn maker is ideal for light commercial and domestic party use. The 4oz kettle can produce 4oz's of popcorn every 3-4 minutes, whilst keeping the popped popcorn warm on the heater deck. This perfect design allows your customers or guests constantly fed with warm delicious popcorn. The popcorn maker includes matching cart, however it can be used with or without cart.

Features include, removable kettle, sturdy metal construction, and a removable kernal tray. The removable un-popped kernel tray, allows you to capture any kernals that haven't popped. This feature reduces waste, and is also makes for easier cleaning.

SEPHRA®

Optional Accessories

8oz Popcorn Making Kit

Everything you need to make popcorn in one convenient kit. Coconut oil and kernels included in exact amount for use in 8oz pop corn kettles. Non Salted. No need to measure oil. Quick, Clean & Cost Effective.

2oz Popcorn Oil Pouches

Our butter flavoured coconut oil is perfect to use with any popcorn kernels. A 2oz pouch is ideal for a 8oz kettle.

Popcorn Boxes

With these traditional printed popcorn boxes, your customers or can sit back and relax or walk away with warm delicious popcorn.

Available in two sizes: 1 or 2oz

Popcorn Seasoning

Sephra stock a range of popcorn flavourings, Caramel, Sweet, Salt and Buttery. Flavouring your popcorn is easy with our flavouring.

Depending on the flavouring you choose depends on the amount of flavouring needed per 8oz of kernels.

The flavouring we stock cooks directly in the kettle, simply put the oil and kernels in the kettle, allow to melt, then add the correct measure of flavouring (see back of packaging).
