

SEPHRA® Sephra Premier Fountain

Ideal as a gift or for use at parties and celebrations. A budget level stainless steel 16" chocolate fountain for home / domestic use, designed to meet the lower price band that the market demanded, but with the higher quality of other products at this price point.

The Premier fountain is ideal for parties of up to 12 guests, having a chocolate capacity of 1 Kg. A stainless steel base gives it that professional look and feel, and dishwasher safe parts makes it quick and easy to clean.

The Sephra Home fountains are far higher quality and give much better performance than the cheaper alternatives available in the high street.
