Sephra is the world's most trusted name in chocolate fountains. WhisperQuiet™ technology, dishwasher safe parts and a QuickSet™ Tier Assembly make up a few of the industry leading features found only in Sephra fountains. WhisperQuiet™ technology ensures that your fountain makes no more noise than a whisper which is key to any successful party or event. The QuickSet™ Tier System allows for a quick and easy set up. Each fountain has dishwasher safe parts making clean up a breeze, especially when coupled with the removable bowl feature found on the Elite home fountain. Sephra fountains are built to last and offer the best warranty and features found within the home and semi-professional market.
